

## Chapter Chatter – September/October 2023

As I write this I see some great photos of cars and MAFCA members on this year's tour put on by the Southeastern Touring Group on our website and Facebook. With so much history to see I am sure those in attendance will have a tough time picking their favorite part of the tour. Having personally been involved in arranging tours such as this I assure you there was plenty of late hours were put in to make this all a success. Many thanks to those that volunteered their time and efforts to make it all possible.

Does your chapter have a great website? If so we would like to recognize those whose efforts have made it so. In the Chapter Awards portion of our website you will find the instructions on how to submit your site for consideration. Your Chapter or your webmaster should submit a letter to the Chapter Coordinator identifying what makes your site stand out from the rest and a candidate for "Website Of The Year". We look forward to reviewing all of the entrants. Send your email to [chaptercoordinator@mafca.com](mailto:chaptercoordinator@mafca.com)

Are you and members of your Chapter making plans to attend the Awards Banquet in Santa Maria this year? I know Jay McCord and all his Santa Maria Chapter members are rolling out the red carpet for those attending. You will not want to miss this impressive lineup of activities planned for November 30<sup>th</sup> thru December 3rd. Join members from across the country for this outstanding event. Find more details at [www.santamariaclub.com](http://www.santamariaclub.com)

In last month's Restorer, Club President Robert Bullard, announced that MAFCA is looking for a volunteer webmaster. If you are looking for a great way to contribute back to your hobby and you have skills in this area we are interested in talking to you. Contact me at [chaptercoordinator@mafca.com](mailto:chaptercoordinator@mafca.com) as well as any current board member or our office. Training for this position on our current site platform will be provided by Rick Black our current webmaster.

Will Langford  
2023 MAFCA Chapter Coordinator
