

We would like to invite all Model "A" Enthusiasts of MAFCA to the First NCRG Hub Tour hosted by the Tokay "A's" in the beautiful wine country of Lodi, California "The Zinfandel Capital of the World". The Capital "A's", Delta "A's" and Modesto "A's" have teamed up with the Tokay "A's" to help organize tours.

What is an NCRG Hub Tour?

If you are not familiar with a Model "A" Hub Tour let us explain.

Think of a Model "A" wheel, the hub on the wheel is the area where the event will gather and start for the entire event. Each day's tour will meet at the host hotel Motel 6, the Hub. The daily tours are considered the spokes of the wheel where we venture out East, West, North, and South, to explore, drive back roads, see the country side and nature in our trusty Model "A's" or vehicle of your choice. This type of event is a lot of fun if you enjoy driving and socializing with others at the events.

Hub Tour starts May 16 through the 20th, 2017
