2000 Membership Roster

A membership roster is in the planning stages for next year. The last edition of the roster was not cost effective, and the Board is in the process of planning a new format for the publication. There are a lot of details to work out, but the Board is committed to providing the membership with this useful information.

History Channel Great Race, X-Cup Division

The Great Race is history by the time this "Highlights" reaches MAFCA membership. The race ended at Anaheim, California on June 19. Three high school teams entered the race with MAFCA's help in the form of grants of \$4000 each. We look forward to reading about their experiences in a future issue of The Restorer.
