How to Restore Your Model A, Volume 6 Now Available

When you place your calendar order, you may want to include the latest in the How to Restore Your Model A series, Volume 6.

Elections & Membership Renewal

It's that time again. You should have received your ballots for the MAFCA Board of Directors election by now, and the polls close on October 15. Be sure to vote and renew your membership!

National Banquet in Sunny South

Huntsville, Alabama is the place to be December 2-5 for MAFCA's annual National Banquet. Registration forms are available in the July/August issue of The Restorer. The Heart of Dixie A's have planned a great package of tours. An update: The Saturn car assembly plant has been limited to 60 people. An alternate tour of a Nissan plant near Nashville has been scheduled. Please advise your membership as it is too late to put a notice in The Restorer.

Hot Off The Press!

The All Model A 2000 calendar produced in partnership with Hemmings Motor News is here! Twelve months of Model A's, all for \$10.95 plus shipping and handling. Be sure to order soon, there is a limited number available, and they are going fast.

History Channel Great Race, X-Cup Division

Watch for the cover story on the 1999 History Channel Great Race in the September-October issue of The Restorer. MAFCA's support of this worthy event will continue for next year, but in a slightly different form. The board voted to offer one \$4000 grant to a qualified team, and to encourage chapters to either sponsor their own teams, or contribute to a common fund that would support an additional grant(s).

Restorer & How to Restore Your Model A Indexes Now on MAFCA Website

The completed Restorer index, Volumes 1-1 through 42-4, is now available at www.mafca.com. under "Downloads". Also available at this location is the complete index for the How To Restore Your Model A series, Volumes 1-6.
