

# Model A Wedding

These photos were taken at our Model A themed wedding on May 13th 2012, in Portland, Oregon. I have been a member of MAFCA for quite a few years, and I have been driving our 1930 Tudor on tours ever since I got my permit. My husband recently joined the club and is currently restoring a 29 AA tow truck, while I am working on a 1930 Tudor. We both enjoy dressing in era fashions at Model A functions and saw our wedding as a prime opportunity to share with our friends and family our favorite hobby. -- Amanda Spoelstra, formerly Amanda Uthe
