Subject: YOUR ADVERTISED FORD AUTO

Dear sir,

I am an international business man, specialized in dealing,purchasing and selling of AUTOS.I also help my foreign client to ship their AUTOS to any place of their desired country or destination, most especially EUROPEAN and AMERICAN COUNTRIES,because i have a reputable and efficient shipper who takes care of the shipment,so shipping will not pose any problem.

Presently i have a client who has asked me to help him purchase a used ford auto.As i was browsing through the internet,i saw your advert subjected above and i will like to purchase it for my client,but before payment will be made i need to be sure of whom i will be dealing with if you are going to be honest and sincere throughout the transaction.

So to start with, signify your interest by forwarding to me your last price (THE PRICE YOU ARE WILLING TO SELL) through email,after which we can continue with the transaction and i promise if all conditions and agreement are accepted and reached on time,payment will be made out almost immediately.

Hoping to hear from you as soon as possible.

Respectfully,

WAYNE-WATSON.
